Hypnosis in the Relief of Pain

Ernest R. Hilgard, Josephine R. Hilgard

Hypnosis in the Relief of Pain Ernest R. Hilgard, Josephine R. Hilgard

Written by a psychologist and a psychiatrist noted for their expertise as both practitioners and researchers, the book illustrates how hypnosis can significantly alleviate the pain of childbirth, medical or dental surgery, burns or other accidental injuries, cancer, and chronic syndromes. With over 600 references covering the field of modern research into the mechanisms of pain, the authors convey a thorough understanding of findings and limitations of available empirical studies. Yet the book remains exceptionally clear and non-technical and will appeal not only to professionals involved with pain reduction but to lay people as well. The Hilgards address a broad spectrum of topics relating to hypnosis and pain, ranging from an historical review to a consideration of future areas for investigation. They thoughtfully tackle the controversy still surrounding the nature of hypnosis - is it an altered state of consciousness or a pattern of behaviour adopted by both subject and hypnotist? The concluding section presents the Hilgards' neo-dissociation theory of hypnosis as well as a highly useful technique for assessing susceptibility in clinical situations. Pain has been called the greatest unsolved problem in medicine. *Hypnosis in the Relief of Pain*, with its honest and complete appraisal of the role of hypnosis on pain reduction, will contribute significantly to the understanding and broader use of this noninvasive and natural healing phenomenon.

From reader reviews:

Jane Riley:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even restricted. What people must be consider while those information which is inside the former life are hard to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Hypnosis in the Relief of Pain as the daily resource information.

Helen Green:

Reading can called imagination hangout, why? Because if you are reading a book particularly book entitled Hypnosis in the Relief of Pain your brain will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely can be your mind friends. Imaging each and every word written in a reserve then become one form conclusion and explanation which maybe you never get previous to. The Hypnosis in the Relief of Pain giving you an additional experience more than blown away the mind but also giving you useful info for your better life in this era. So now let us demonstrate the relaxing pattern at this point is your body and mind will likely be pleased when you are finished looking at it, like winning a sport. Do you want to try this extraordinary paying spare time activity?

Robin Holloway:

Many people spending their time frame by playing outside with friends, fun activity together with family or just watching TV the entire day. You can have new activity to pay your whole day by reading through a book. Ugh, do you consider reading a book can actually hard because you have to use the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smartphone. Like Hypnosis in the Relief of Pain which is having the e-book version. So , try out this book? Let's notice.

Teresa Burns:

What is your hobby? Have you heard that will question when you got learners? We believe that that concern was given by teacher for their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as studying become their hobby. You have to know that reading is very important as well as book as to be the issue. Book is important thing to add you knowledge, except your teacher or lecturer. You will find good news or update regarding something by book. Many kinds of books that can you decide to try be your object. One of them is Hypnosis in the Relief of Pain.
