## **Power Tools: A User's Manual for Your Mind** John Furey

For people who wish to be free of their enslavement to the fearful voice of the rational mind: for those who want to grow their ability to use the mind's tools, and for those who are simply curious and wish to begin or continue their journey of conscious living. How it is that we perceive the world around us, think about ourselves and then decide to act.. It will help you to understand and use your rational mind.
