Routledge Library Editions: Social Theory: Talcott Parsons on Economy and Society (RLE Social Theory) Bryan S. Turner, Robert J. Holton

'In this remarkable collection of essays, Holton and Turner demonstrate that Parsonian sociology addresses the most central problems of our time – issues of sickness and health, power and inequality, the nature of capitalism and its possible alternatives. They develop a mature and original perspective on Parsons as the only classical theorist who avoided crippling nostalgia. Holton and Turner not only talk about Parsonian sociology in a profound and insightful way, they *do* it, and do it well. As sociology moves away from the rigid dichotomies of earlier debate, this book will help point the way.' – Jeffrey Alexander, Professor and Director of Graduate Studies in Sociology, UCLA
