[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Quatre Romance, M/M/M/M, public exhibition, werewolves, HEA] After being hidden away for over six years by his last Alpha, Sampson doesn't know how to be around people. He hates to be the center of attention and mostly tries to keep away from everyone, getting lost in his writing, except for one person... Who he's invisible to. Slate spent most of his time as a guard at the Chicago pack denying how much he wanted Sampson because of the consequences of giving in to temptation. But everything is different now on Lilleulv, right? Calver has wanted Gareth while in Denver, and the feeling is mutual. All they need is a blond firecracker to bring them together. Both Sampson and Calver respond to Gareth's Alpha personality, and even Slate is a welcome addition if he could get his head on straight. But when they try to manipulate Sampson, will he call it quits, or is it time for some revenge? Note: This book is written in first-person point of view. \*\* A Siren Erotic Romance
