This boxed set contains all three parts of the *Taken for the Ride* series.

Taken for the Ride Part I

After getting a phone call about an emergency back home, **inexperienced** Jordan has to take the first bus out of town. To her surprise, the second **older man in her life**, Chris, is on the same bus—headed in the same direction. Chris, who is so much sexier to Jordan now that she's older and in college--and who has made his opinion on how she has grown uncomfortably obvious.

The bus ride becomes steamy when Jordan finds out, the **hard** way, exactly what lengths Chris would go to have her...

Taken for the Ride Part II

Stranded in the middle of nowhere, Jordan and Chris set out to get help from the only shop they can see for miles. The store manager agrees to help them, but only at a price. Being a college junior, there's only so much the poor **little brat** can offer in exchange—how much is she willing to give up?

Taken for the Ride Part III

Finally back home, Jordan feels like everyone is furious with her for what she did with Chris. Brad, the **boy she grew up with**, is in charge of her punishment. Will Jordan be able to handle every inch of the **rough, unprotected** lesson he's planning on giving her to make everything right at last?
