THE LAST TIME: The potential end of my life

Alexandra Jane

THE LAST TIME: The potential end of my life Alexandra Jane

The writer recounts a week before going under the knife for surgery, and her fears for herself, her son, and her wonders about the outcome. Very true to life, very honest, the real workings of an analytical mind facing the realities of her existence. Relationships, love, mundanity of every day, and true to life thoughts and feelings make this story reach out and touch.
