The Mirror of Thieves Martin Joy

Azor's magical cat had disappeared and he was out looking for him when he was knocked to the ground and kidnapped. After coming round he soon finds himself in the hands of a busy wizard, who is experimenting with some yellow water. However an evil sorcerer finds out about this, and wants some for his mirror making factory. One night the wizard's cauldron blows up, almost destroying his workshop, and the apprentice's magical cat then falls into the hands of the sly sorcerer. A rescue mission begins when the forest is set on fire, and there is a race to save them all from being burned alive.
