The Vanishing Point Val McDermid

“[McDermid’s] work is taut, psychologically complex and so gripping that it puts your life on hold.”—*The Times* (UK)

“Masterfully handled, and McDermid’s ability to wrong-foot the reader remains second to none: highly recommended.”—*The Guardian* (UK)

From one of the finest crime writers we have, *The Vanishing Point* kicks off with a nightmare scenario—the abduction of a child in an international airport. Stephanie Harker is in the screening booth at airport security, separated from Jimmy Higgins, the five-year-old boy she’s in the process of adopting, when a man in a TSA uniform leads the boy away. The more Stephanie sounds the alarm, the more the security agents suspect her, and the further away the kidnapper gets. It soon becomes clear nothing in this situation is clear cut. For starters, Jimmy’s birth mother was a celebrity—living in a world where conspiracy and obfuscation are excused for the sake of column inches. And then there are the bad boys in both women’s pasts. As FBI agent Vivian McKuras and Scotland Yard Detective Nick Nikolaidis investigate on both sides of the pond, Stephanie learns just how deep a parent’s fear can reach. And the horrifying reality is that she has good reason to be afraid—for reasons she never saw coming.

“*The Vanishing Point* . . . is marked by [McDermid’s] trademark stunners, including a climax that packs a vicious punch. And readers are again left to marvel at her ingenuity.”—Jay Strafford, *Richmond Times-Dispatch*

“McDermid knows crime, but more importantly, she knows the dark side of men and women and the havoc they can wreak on each other’s lives. . . . *The Vanishing Point* is a stand-alone and does it ever. . . . Th[e] opening is shocking, edge-of-your-seat unnerving and violent on different levels. The reader is immediately drawn in by Harker’s overwhelming panic and fear. It’s taut, smart, vivid writing.”—Victoria Brownworth, *Lambda Literary* (online)

From reader reviews:

Debbie Brown:

Playing with family within a park, coming to see the ocean world or hanging out with buddies is thing that usually you might have done when you have spare time, and then why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Vanishing Point, you may enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

Margaret Head:

Does one one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't assess book by its protect may doesn't work here is difficult job because you are afraid that the inside maybe not as fantastic as in the outside look likes. Maybe you answer can be The Vanishing Point why because the excellent cover that make you consider about the content will not disappoint a person. The inside or content is definitely fantastic as the outside or maybe cover. Your reading sixth sense will directly show you to pick up this book.

James Kline:

Are you kind of active person, only have 10 or perhaps 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are having problem with the book compared to can satisfy your short space of time to read it because all this time you only find publication that need more time to be read. The Vanishing Point can be your answer mainly because it can be read by anyone who have those short extra time problems.

Roberto Garcia:

What is your hobby? Have you heard in which question when you got college students? We believe that that query was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you know that little person including reading or as looking at become their hobby. You have to know that reading is very important and also book as to be the matter. Book is important thing to increase you knowledge, except your own teacher or lecturer. You see good news or update with regards to something by book. Amount types of books that can you decide to try be your object. One of them is this The Vanishing Point.
