Tutu Skirt Crochet Pattern - Easy Project Sarah Taylor

This tutu pattern doesn't fit into the 'quick project' category, but it is definitely in the 'easy' one because despite the fact that it looks like a more complicated project, I have written it so that crocheters of all skills can achieve a great result.

The yarn used is very fine - Lace weight (2 ply) - but don't let that put you off. It works up quite quickly with the H / 8 (5.00 mm) crochet hook to produce a beautiful light-as-air tutu skirt which will be adored by little girls (and the grown up girls too!). The simple instructions are in a single size, but the waist measurement and skirt length are easily modified to fit the child perfectly.

My patterns are written in plain English which makes them easy to follow whether you are a newbie crocheter or you have many years of experience.
