You have a question for us. We know what you want to ask us. Just listen to him and we'll talk in your mind. Kara rolled her eyes. *I'm listening but I can only try, please have patience, now please continue* she sent. *Yes, an immortal can be killed, if you know how. That person with you knows this. In time, you will see...* There was hesitation in the voice. Without taking her eyes off Henry, Kara reached out to ask what was wrong. The voices abruptly sent, *No, don't show any feelings. If you do that, then he will hear us... Kara, you are very special. Just keep your thoughts to yourself, and soon enough you will be here with us. Then we will explain everything, trust us.* That was the whole problem. She did trust those voices more than she trusted Henry. The more Kara thought about it, she realized that this was not to be taken lightly. She knew there had to be a way to kill an immortal. Therefore, nothing and no one was safe, as far as she was concerned. After the loss of her husband and son, Kara woke up a different person, she was introduced and welcomed into the arms of her new family. Here she met her new love, Henry had secrets and one of these secrets was deadly. Nathan was the first she had seen, could she trust him to help her, but like Henry he had deep dark secrets. To have so many abilities and being Immortal was one thing. Kara must learn Henry's secrets before he makes good on her demise.
