**On British soil, the Executioner fights to find a way home**

Mack Bolan knows he escaped France too easily. When the Calais ferry arrives in Dover, he steps onto the dock expecting a trap. The quiet port fills with gunfire, and he is on the verge of being overrun when a sports car pulls up beside him, and a woman tells him to jump in. The United Kingdom is in danger, and she believes that only Bolan can save it. As thanks for the rescue the man known as the Executioner will bring his unique brand of justice to the underworld of Great Britain.

He fought his way into England, and he will have to fight his way out. Battling a bizarre, perverse conspiracy, he is shocked when the Mafia does the unthinkable—and asks the Executioner to join its side.
