Deontología sexual del líder religioso: Guía Práctica Para Prevenir La Mala Conducta Sexual Del Líder Religioso (Spanish Edition) Edwin Mendoza

En las últimas tres décadas se ha levantado un clamor que ha sido escuchado a todo nivel social y cultural del mundo. Se trata de la mala conducta sexual de los líderes religiosos de todas las religiones y credos. Se ha querido poner una medicina al flagelo del abuso sexual de parte de los clérigos. Se ha creado toda una plataforma judicial, moral y religiosa para ver dónde radica la causa y cómo encontrarle solución. Sin embargo, el trabajo ha sido bastante arduo, porque mientras se descubre un caso aquí, ya se descubre otro allí y otro allá. El libro “Deontología sexual del líder religioso” trata el tema del “poder” que el clérigo ostenta y lo letal que este poder es si no se utiliza con cuidado. Todo este tema enfocado desde el punto de vista de un líder religioso que ha visto colegas transitar por el camino doloroso de verse envueltos en casos de abuso sexual. El punto central de esta obra es destacar el hecho de que tales daños se pueden prevenir. Se ofrecen principios sacados de la vida práctica del líder religioso que pueden servir de exhortación. El libro no es solo para los que se dedican a ser líder religioso a tiempo completo, sino también abarca a aquellos que lo hacen de forma voluntaria, en su tiempo libre o no reciben remuneración por su trabajo religioso. La mala conducta sexual impacta, no solo al perpetrador, sino a la víctima y a toda la comunidad religiosa a la cual pertenece. En muchos casos asesinando la fe y la inocencia de muchos.
