Heirloom Seed Saving Handbook: Your Personal Survival Seed Bank Danny Gansneder

What You Need to Know About Heirloom Seeds is a short introductory guide that will walk you through the steps of what it takes to become an heirloom seed grower. Have you considered a healthier gardening or farming lifestyle and are looking to grow something that is all natural? Then this is just the thing for you. In this short guide you will learn what characteristics seeds needs in order to be considered an heirloom, a brief history on heirloom seeds, and how you can grow and store them yourself. If you have heard the terms heirloom seeds or seed saving, this guide will tell you exactly what is meant when garden enthusiasts or farmers use these terms. Find out how to grow heirloom seeds yourself and then how to gather the seeds from the plants you grow for future planting seasons. Plus, find out what some of the benefits you will reap are by starting to grow your own organic garden. There is plenty of information between these pages to get you started in a new hobby or even a new lifestyle. Still worried about if you are going to be able to accomplish this task? This guide features guidelines on steps on how to grow your plants, watch them flourish, harvest seeds and detailed instructions on storing seeds and keeping them fresh. This text also includes a list of common garden plants with short descriptions of the necessary care needed for each when it comes to planting, growing, and harvesting. This list gives information on the type of pollination each plant requires, how far isolated a plant should be planted away from others it is capable of potentially cross-pollinate with, what type of seed each plant produces (wet or dry), how seeds will be harvested, and how long seeds can be stored for. So, if all this sounds like something you are interested in getting into, check out what this guide has to offer. Become a part of something that will reward you in many different ways and give you a fantastic sense of accomplishment. But, not only that, start your heirloom garden today and become a part of history.
