Marquis de Sade

Incest (Hesperus Classics) Marquis de Sade
Incest is a chilling tale of sexual experimentation and philosophical exploration carried to its most logical—and devastating—extreme. Marquis de Sade's semi-autobiographical protagonist, Monsieur de Franval, is rich, handsome, intelligent, and thoroughly immoral. When he marries a pious woman and fathers a daughter, he is determined to educate his progeny to be "free." The ultimate proof of his daughter's unfettered liberty? That she become his secret lover. But when the beautiful and accomplished daughter spurns an eligible young bachelor, instead declaring her intention to remain with her father, her naïve and doting mother's suspicions are at last aroused. Confused and distressed by her daughter's behavior, Madame de Franval confronts her husband—with tragic results. A challenging and breathtaking masterpiece, *Incest* is a sober portrait of catastrophe in the midst of excess.
