However, to do that she'll need work, and where better to start, than accepting the invitation from the mysterious stranger, initials L.A., who said he's in need of an assistant himself?

It couldn't hurt that his invitation also said he found her enchanting... or that he's the dashing stranger she made the biggest mistake of her life with at the masquerade ball.

When she arrives at the address he gave her, she realizes she may be in way over her head when it comes to this secretive billionaire. Sex, lies, and deception are the name of the game when you play with a man like Lucas Alastor. Then again, with big risk, comes big reward...
