We can learn a lot from dogs, both wild and domestic. They are a source of powerful lessons for our character and our relationships. Wing Girl Kim uses them as an archetype to offer honest and sound dating advice for men.

This is not a book of pickup tips. AlphaDog is about how to be the kind of leader women are attracted to.

If you're genuine and want a truly rewarding relationship with someone real, be ready and willing to take on the challenge inside. But if you just want to get laid, buy another book.

There are different ways to pursue women. You can be like a cheetah -- speedy -- and skillfully pick up women with your charm and wit. Or you can be like a lion -- powerful -- and attract women through your vast wealth or social position. You might not be like a cheetah or a lion, but anyone can be like a wild dog.

In *AlphaDog, Get The Bitch You Want*, Wing Girl Kim gives men a woman's perspective on dating. Different people have different ideas of what it means to have a great date. The rules have changed over time. Wing Girl Kim talks about what it takes to get the most out of dating by using principles that women value. What do women value? In a word: Leadership.
