**Blackstone's Guide to the Freedom of Information Act 2000 (Blackstone's Guides)** John Wadham, Kelly Harris, Eric Metcalfe

The Freedom of Information Act 2000 came into force on 1 January 2005, creating a new statutory 'right to open government'. It imposed new duties on public authorities regarding the disclosure and handling of information.

The fifth edition of this popular Guide offers the most up-to-date guidance on the Act, taking into account all the changes since the publication of the last edition. Most significantly, the developments have been in relation to the case law and this Guide features expert analysis of the most noteworthy decisions and their impact on this area of law. The Guide is essential reading those working within, or advising, public bodies; those advising clients with a personal, professional, or commercial interest in obtaining information; and those advising business clients on the accessibility of commercially sensitive information.

The Blackstone's Guide series delivers concise and accessible books covering the latest legislative changes and amendments. First published soon after enactment, they offer expert commentary by leading names on the scope, extent, and effects of the legislation, plus a full copy of the Act itself. They provide a cost-effective solution to key information needs and are the perfect companion for any practitioner needing to get up to speed with the latest changes.
