Discover how a collection of mistakes man can make has haunting consequences, how a world without sleep can tip the scales of balance and inflict danger, and the journey of a student as he moves from home to the brutality of the real world. Unearth the story behind the ignorance of a ghost who disregards responsibility, an alien that battles the curse of immortality and a simple thief who steals for good but faces great evil. The stories echo the trials and tribulations of human life. The stories will grip you. They will take you by the hand as you join them in a journey that will change their very ways of life.
