*make you a person that others are likely to flock to.*

*As an ESFP, one of your life goals is to experience as much as possible. In order to accomplish this, you are more than willing to step outside of your comfort zone. You will be sure to take others along with you on this journey and will have no issues with being the first to try anything. This also plays a part in social situations, as you are known for speaking your mind regardless of the situation. Of course you will try to do it in a tactful way, but there are times that this does not occur. When it happens, you can come across as more rude than bold to more sensitive listeners. Still, this characteristic also gives you quite the advantage when it comes to leadership positions.*
