Prince Ladon and His Omega: M/M Gay Shifter Mpreg Romance: Element City Fated Mates Freya Kith

I rejected my father's idea of what it meant to be **Alpha** -- what it meant to be royalty. I lost my crown and homeland, and live in exile for plotting against my father's machinations.

I regret nothing.

That isn't true. My **regrets haunt** me every day.

My sacrifice saved lives, and was **worth it** all. Being **Alpha** means being a **protector**. It is who I am, regardless of title or crown.

I planned to live out my days, an exiled **Alpha dragon prince**, building businesses and amassing wealth.

Alone.

Then I met him. He is **damaged and beautiful**.

I cannot resist the **pull**, the **force**. He seems a harmless diversion.? Until I discover our **lives are connected**, my sacrifice failed, and the chaos of the past descends on the present.

Now, he's **pregnant with my baby** and his life is in **danger**, a **dark enemy** has risen from the **destruction of the past**, and I have to decide what it means to be **Alpha**, and this time, my **Omega** has **opinions of his own**.

Want **detailed MPREG**? Prince Ladon and His Omega is a **full length standalone** novel. It contains **steamy content, sexy dragons, no cheating, a big happily ever after** and **lots and lots and lots of PREGNANCY AND BIRTH DETAILS**.

If you would like to **join my team for future ARCs**, and to let me know what you would like to see in future books, I know a lot!
