Haven't Read Book No.1 in the Safari Pride Series? Well, it's INSIDE! ~ **BONUS Content Book No.1 INCLUDED ~**

Ally's world had been officially turned completely upside down when she found out who Vernon really was. She's thrown into a culture she knows absolutely nothing about. Jealous lionesses sniping at her, waiting for her to fail...all the while intoxicated with her human scent, ready to pounce and draw first blood!

Being a lion's mate was something Ally wasn't prepared for, but she was quickly learning just exactly how to be a primal lioness; Commanding respect, marking her territory, and fearlessly staking her claim on her Alpha. With Razil, the Alpha's trusted confidante, watching her every move, she knew that she couldn't, wouldn't mess up. Failure was not an option by any means, when the shedding of your own blood was at stake.

It was a matter of PRIDE. It was a matter of making sure that Vernon was not only safe with her, but that her authority was respected, and her territory (Vernon) secured. Ally knew weakness was NOT an option, and love would have to be enough to guide her through.
