Formally known as Exercises in Health Claims Examining, The Practice of Health Claims Examining, 2e, contains a simulated work program to help you experience the real life situations that a claims examiner experiences on a daily basis. This book is created for use in conjunction with ICDC Publishing's *Guide to Health Claims Examining*. Some of the exercises in the simulated work portion of the book are based upon concepts learned in the *Guide to Health Claims Examining* (i.e., procedures for processing claims, interpretation of contracts, understanding UCR and deductibles, etc.). The simulated work portion of this book incorporates concepts which are not taught by simple data entry, for example UCR calculations, privacy guidelines, client record keeping, correspondence, and manual completion of claims processing. Trainees that have taken a complete health claims examining course. Health Information Management Professionals.
